

Neenah Baseball Athletics, Inc.

2010 FUNDRAISER INFORMATION

Players and Families:

Neenah Baseball Athletics, Inc. is dedicated to providing summer baseball playing opportunities for Neenah area youth 13-18 years of age. The funds needed to pay for this effort come from three sources: Players' fees, Sponsorships, and Fundraising.

In addition to annual operating expenses (uniforms, equipment, umpire fees, league participation fees, field rentals, etc), which are normally covered by players' fees and sponsorships, there are many other projects that are needed to maintain and build a viable program. In order to meet these needs, we must require a fundraising effort for participant players and their families.

This year's registration fee includes a \$50.00 deposit towards the fundraising requirement. This fee is entirely refundable by meeting the fundraising goal of this year's program, pizza sales and chocolate sales through Club Foods. Those whose gross fundraising sales yield at least \$50.00 in net profits to the organization will have their \$50.00 deposit returned – in fact, those who sell above this level will earn additional cash-back awards. For those who opt not to participate in the fundraiser, the \$50.00 deposit serves as a buy-out of the fundraiser requirement.

We look forward to a great year of baseball and continued improvement of the facilities for youth baseball in Neenah.
